If you have already completed the Kognito training *Veterans on Campus for Faculty and Staff* please bring your printed certificate with you. If you did not print your certificate, you can reprint it by accessing the training again and selecting *certificate* from the upper right menu bar. If you bring your certificate of completion we will award you with your Green Zone placard to be placed in your office space identifying it as a military friendly area of operation.

If you have already attended a Green Zone Luncheon you are welcome to attend this luncheon as well. We will have updated information, as well as a brief presentation from the Department of Veterans Affairs, and the Kelly Center.

If you are unfamiliar with what the Green Zone Initiative is please see below. We look forward to seeing you at the brown bag luncheon, thank you for your support of our student veterans.

You don't have to be a veteran to support our student veterans. All faculty and staff are welcome and encouraged to participate in this initiative. We look forward to seeing you on **November 7**.

Why do student veterans struggle with college?

- Use to being with others of similar background.
- Need personal support.
- View college as confusing
- "Unfriendly" policies and procedures.
- Lack of funds / benefits slow to arrive.
- Feel out of place with traditional age students.
- Overwhelmed by life.

- Lack of empathy from fellow students/staff

Alarming veteran statistics:

- Number of service members with PTSD is higher than at any time in history since the Vietnam War.
- Traumatic Brain Injury (TBI) is the signature wound of this war leading to social adjustment and anxiety disorders
- Veteran suicide rate is currently at 22 veterans a day taking their own life.
